## Brief Status of the Case:

As per decision of the Council, the Institute having deficiency and issued EOA 2019-20, was asked to submit Compliance of Deficiencies within 6 months. All the Compliance were put up before Scrutiny Committee. The Scrutiny Committee was held on 16.12.2019, wherein Institute was not called for the Scrutiny and it observed by the Scrutiny Committee that deficiencies have:

"not been submitted as per deficiency report."

Now, the institute has been given an opportunity to appear before the Standing Hearing Committee as per the AICTE norms. It is, therefore, decided to place the matter before Standing Hearing Committee for observation/recommendation. The institute has also been called to appear before the Committee to present their case along with supporting documents.
